

5th International Conference Entrepreneurship for the XXI Century. Images and perspectives

GENERAL INFORMATION

The conference took place on the 15th and 16th of November 2018 at the Faculty of Management, University of Warsaw. (1/3, Szturmowa street, Warsaw, postal code: 02-678).

During 5th edition participants not only discussed different faces and aspects of entrepreneurship, classical and alternative research perspectives in entrepreneurship, but also went further in sessions. One of the new goals was to encourage more business related people to join our meetings, and given their speeches. We hoped that it was fruitful time with inspirational discussions, that flourished collaborations in the fields of research, business cooperation and also in didactics development.

We prepared **ten** different **tracks** to choose for our participants:

1. International and strategic entrepreneurship,
2. Entrepreneurial ecosystem,
3. Entrepreneurial orientation,
4. Immigrant entrepreneurship,
5. Social entrepreneurship,
6. Entrepreneurial education,
7. Agricultural, rural, local entrepreneurship,
8. Entrepreneurship and innovation in hi-tech and biotechnology
9. Family business,
10. General entrepreneurship.

The Meeting of Polish Chairs and Innovation have been organised prior to the conference, on November. We invited all Polish participants to take part in this annual event.
